VENUE REQUIREMENTS

MONITORS | Two fully independent mixes. IEMs preferred; artists bring earbuds. Two wedges with separate mixes are acceptable.

BACKLINE | Two stools. Venue provides all microphones, stands, DIs, XLR cabling, and associated sound reinforcement.

POWER | One safe, grounded AC power drop at Jared's stage-left position.

PLACEMENT | Jared stage left. Amber stage right. Positions are from the performer's perspective facing the audience.

Advance substitutions or questions with Jared before show day.

A NOTE ABOUT HOSPITALITY

We're pretty easy to keep happy. We'd be grateful for sparkling water, room-temperature bottled water, a little light beer, some light snacks, and a hot meal for the two of us. When possible, we prefer ethically sourced poultry or a vegetarian option, but we'll graciously eat whatever is available because we are, frankly, absolute sweeties. Thanks for taking care of us.
